

APR 25, 1707Battle of ALMANSA

During the War of Spanish Succession a battle was fought near Almansa, in Spain, between the allied forces led by G. Galway, and the French, commanded by BERWICK. The allies were completely overpowered and many taken prisoners; while they were obliged to deliver to France the prisoners taken at HOCHSTADT.

1707

The Scotch Parliament &  
English Parliament were  
weld.

Since 1707 Scotland has sent  
its Parliamentarians to Westminster  
(in bond)

1707-1712

1912 Dates J-BK

BAHADOR SHAH, Mogul  
emperor in India.

1707

Aurangzeb carried the Mughal domination into South India and at his death in 1707, it had absorbed the Muslim Kingdom of Bijapur and Golconda.

1707  
~~1607~~

French under Berwick won  
ALMANZA against the English  
under Earl of Salway

India: AURANGZIB died. The disintegration  
of the Mogul empire set in

May 1, 1707

Act of Union

England & Scotland were united  
to form Great Britain.

Jan 1, 1801 Great Britain & Ireland  
were united to form the  
United Kingdom

1707

1912 Dates J-BK

England and Scotland united  
as Great Britain.

1707

---

AURANGZEB of India died.

An Act of Union was passed in the parliaments of both England & Scotland, formally uniting England and Scotland under the name of Great Britain, with one Parliament, but separate legal systems and churches.

Sophia and her descendants were to rule the new united Kingdom

Sophia of Hanover died a few months  
before Anne, and her son George became  
King George I. The Roman Catholic  
Stuart descendants of the exiled James II  
are specifically excluded. James II's son  
James, the Old Pretender, landed in  
Scotland in 1708 and also in 1715, both  
vain attempts to regain the throne  
from the Stuarts.

1707-1788

Buffon - attempt to establish  
the age of the earth from its  
rate of cooling.
